## SEARCH NOTES (INCLUDING SEARCH STRATEGY)

	DATE	EXMR
Since installation of Microsoft 2003 on 11/5/2007 it has been almost impossible to do an East search on my computer	11/13/2007	
East search was attempted, however program closed down in the middle of review & refused to reopen, hence update could not be	11/13/2007	
, nor could any search for revised limitations in claims be conducted	11/13/2007	
Redid East search on hoteling computers, had to redo whole thing as saved searches do not transfer between computers	11/13/2007
